October 30, 2014

John Gwynne Prosser II
President NeuroTrauma Association
691 North Squirrel Road, Suite 105
Auburn Hills, MI 48326

Dear Mr. Prosser II,

I am honored to support your work with the NeuroTrauma Association and your organization's work to promote Michigan's model for no fault automobile insurance. Many of my constituents and their families have been affected by the results of a catastrophic auto accident, and I've seen directly how this system has taken proper care of them.

Our model has served our state for over 40 years, providing lifetime care for people who are injured in auto accidents. Michigan provides the best coverage for those who suffer a catastrophic injury and their families. Throughout my tenure as Chair of the Michigan Senate Health Policy Committee, I have experienced our world class medical facilities serving these patients. Oakland County is a direct example with over 10,000 jobs supported by our strong no fault automobile insurance program.

I look forward to working with you and the NeuroTrauma Association. I support your mission to help and support those catastrophically injured in an automobile accident. Please do not hesitate to contact me if I can be of assistance to you.

Sincerely,

Jim Marleau
State Senator
